The Chosen 800

This May, American actress Meghan Markle will marry Britain's Prince Harry. An invitation to their wedding promises to be the most sought-after mail in years.

Palace officials are already selecting the lucky 800 guests who will be invited to the royal wedding.

This majestic wedding is expected to be a smaller affair than Prince William's wedding. Prince William and his wife, Catherine, invited over 1,400 guests—almost twice as many as his brother, Harry, will invite.

So who will score an invite to Harry and Meghan's smaller and more intimate wedding? European royals? Other world leaders? Friends of the couple? American movie stars?

One fact is for sure—only the most elite from around the world will make the royal guest list.
