## Public Prayer

George Clooney is the latest celebrity to take a knee for NFL players.

And he's doing it with a prayer.

The movie star recently published a very public prayer in *The Daily Beast*, an online news source. Clooney's prayer came after President Trump announced that athletes who refuse to stand for the national anthem should be punished.

Clooney's prayer addressed the racial tensions that underlie the debate over standing for the national anthem.

Clooney prayed for "young children like Tamir Rice" and "police . . . first responders . . . men and women of the armed services."

In the final lines of his prayer, Clooney wrote, "I pray that dissent will always be protected in this great country." He continued. "I pray for a more perfect union."

He concluded with the words "And when I pray, I kneel."
